Eileen,
There are 2 versions of the catalog with POS # 80860.
1) Non-Workload Drive 80860A
2) Non Workload Community 80860B

I'm taking a stab in the dark here, but I'm suppose to use 80860A, correct?
Let me know! We're going to press tomorrow at 10:00am.
Thanks,
Ed
